Your Personal Guide In Life

INTUITION For YOUR BUSINESS

Intuition is our internal antenna, also known as the quiet voice to inner wisdom. It gets us in touch with our Higher Self. It is also known as the Golden Compass. It helps us to make sense of the variety of choices, decisions, and interactions we face on a daily basis. It gives us clear guidance on how to find answers.

When you are at a crossroads, or you need to see the bigger picture, or need an unbiased confidential opinion, trust in Marishka to bring the clarity you need to move forward.

Marishka is a highly gifted Intuitive Counselor who guides her clients with their business. Her 30 years experience as Lending Manager at the Bank of Montreal has given her a background in the financial and business industry. Marishka takes professional courses on an ongoing basis in order to keep herself current, and to enable her to guide and teach her clients. She is a certified Master of NLP, Time Line Therapy and Hypnotherapy, and is certified in the ancient Hawaiian wisdom called “Huna”, working with Energy.
